Three Months Forecaster

As the planets move around the zodiac they make 'aspects' or angles to the planets in your birth chart. In astrology these 'aspects' are called 'transits' and they are detailed in the pages that follow.

Sometimes a planet may aspect another, then appear to move forwards and then backwards for a long period of time recreating the same 'aspect' several times over. This backwards motion is known as 'retrograde' motion.

This forecast can be used as a helpful guide to the next three months. At all times it is for you to choose the best path to follow and develop the most positive parts of your character.

Protection

Your focus is likely to be on domestic issues. You will either want to be in familiar surroundings or find yourself tied to the home in some way. Past memories relating to family matters may now come to the fore. There may also be a struggle to define your individuality on the home and family front. Avoid the danger of deriving too much of your identity from your family background. On the other hand, there is also the danger of rejecting your background completely in order to free yourself from its limitations and influence.

Neither your own individuality nor your family background should be rejected. The task now is to learn to balance the two, acknowledging your heredity and developing your own uniqueness.

Fun time

Your focus will now be on romance, children, artistic pursuits and pleasure. You will now want to put across your point of view, but more on a creative and emotional level, rather than an intellectual level. An attraction to poetry, music, writing, drama, etc. may both inspire and allow you to express your innermost thoughts. In romance, lovers will have to satisfy both your physical and intellectual needs. Finding that you also have a good level of communication with children, you will now encourage their intellectual abilities.

In the swing

Your focus will now be on fun, romance, meeting people, creativity and children. You will be in love with love and will not put up any barriers or pretences. Lovers will have to accept you for who you are and not what they want you to be. Self discipline may be at an all time low but it is not such a bad idea to loosen the reigns every now and then. Artistic and creative talents could be inspired. Relationships with children should also be a source of tremendous pleasure and satisfaction.

Assertion

Your mental energies will be running extremely high with the pace of daily life and communication with others, increasing considerably. Inclined towards being argumentative, you will say what you think but this could lead to disagreements, especially with brothers, sisters, local residents or close family. Your mind will now be like a sharp instrument or tool which if handled correctly could cut through just about anything, but if not, could be very hurtful and destructive. Control your temper and avoid conflicts and much could be accomplished.

However, if rules have been broken, the very opposite could apply. Either way, professionally, this is a time of greater responsibility. Use this opportunity to make an impression on everyone around you. But try to strike a balance between personal and professional commitments, or loved ones may be neglected and shut out.

At times it may even seem as if forces beyond your control are re-shaping your destiny, without first requesting your approval or permission to do so! If this is the case, then rage and emotional tantrums could be replaced by a feeling of helplessness.

If you enjoy a challenge, then this period could bring about positive, lasting changes into your life. However, if you tend to shy away from confrontations, whether physical, emotional or spiritual then intense emotions could now leave you feeling confused and battle-scarred. But take care not to overload yourself with commitments, or your drained energies could cause you to become weary and withdrawn. Until recently priorities revolved around relationships with others and being concerned with how others saw you and related to you. You will now and for the next few years, need to be more introspective, turning your thoughts towards your emotional and mental needs.

Changes

Sudden changes of fortune are now likely, so expect disruption in joint finances, insurance, tax or inheritance. Do not become dependant on someone else's finances during this time, you will only come to resent it in time to come. Feeling the need to break free from restrictions and attachments imposed by others, you will now want to go your own way. Some phases of your life may end suddenly and irreversibly. Fascinated by the meaning of life and death, a new understanding of these matters will be sought. An exciting yet unstable love relationship may also start and end within a short space of time.

Critical

You may now approach relationships with excessive romantic idealism. Of course, you could be lucky and meet someone who is as idealistic as you are but such individuals are very rare. It is more likely that you will place your lover on too high a pedestal, and then be disappointed when they do not live up to your expectation. You may also be attracted to people who you feel need your help. In surrendering your own needs you may feel you are showing true love. But, you too are only human, and sooner or later your own needs will resurface, putting a great deal of strain on the relationship. Do not place unrealistic expectations on others, and do not allow them to walk all over you. This is not a good time for legal proceedings as poor communications and misunderstandings are likely.

Self expression

You should now avoid gambling or speculation as there is a possibility of losing control and destroying everything you have built up. On the other hand there is also the potential of accumulating riches or power, depending on how you handle the situation. Children may now also be the source of inspiration and transformation or there may be power struggles with your children. Love affairs and sexual relationships could be intense, obsessive and passionate - also undergoing drastic changes or disruption. However, any relationship that survives this period will grow from strength to strength.
