### Three Months Prediction

As the planets move around the Great Circle of the Zodiac they pass through the 12 areas known as 'houses', each of which represents a different sphere of human life.\* The moving planets also form angles or aspects with the positions of the planets in your birth chart. These planetary movements are called 'transits'.

Sometimes a planet appears to move backwards through the Heavens which is known as 'retrograde' motion, thereby repeating the aspects it makes to the planets in your birth chart. A retrograde planet is similar to the sensation experienced when you are on a train which overtakes a slower train, making the slower train appear to be moving backwards.

Your predictions for the next three months should be used as a helpful guide only. Events in your life may vary from the ones outlined in this forecast. While the planets do not dictate your future, they do provide crossroads and signposts to guide you on your personal voyage through life, helping you to make the right decisions, at the right time, and in the right frame of mind. At all times it is for you to choose the best path to follow, and to develop the most positive elements of your personality.

\*When the time of birth is not known, a Midday chart is produced, which makes it impossible to include the house transits in the report or to accurately determine your Ascendant (Rising Sign) position.

☉ in 8th House

##### **Sun is Transiting your Natal Eighth House**

You will now have a need to merge either your own emotions or financial and material possessions with others. You may be trying to borrow money. With the focus also on feeling and deep, introspective thought this is a time to concentrate on inner needs. Some sort of compulsive or irrational behaviour is likely, creating situations which may lead to changes in your life. A powerful individual may now influence your values and thoughts or you could develop a tremendous fascination for esoteric subjects or religions.

#### **From about: 1 August 2006 to about: 15 August 2006**

☿ in 7th House

##### **Mercury is Transiting your Natal Seventh House**

Your focus will be on relationships. Do not work alone. By co-operating with others, you will accomplish more. This would also be a good time to talk through and resolve long standing problems in either personal or business relationships. In romance, you will be attracted to lovers who can satisfy both your physical and intellectual needs. Also be aware that this is an excellent time for appearing before the public or tackling mental work with the co-operation of a business or personal partner.

**From about: 1 August 2006 to about: 18 August 2006**

♀ in 7th House

**Venus is Transiting your Natal Seventh House**

The focus is on all relationships, business or personal but especially romance. As you will be so relaxed, love relationships should be a source of tremendous pleasure and fulfilment. You will now go out of your way to show loved ones just how much you care. A new love affair could begin but take care not to place a lover on too high a pedestal or expect them to live up to some kind of impossible ideal. Feeling confident and more co-operative, past differences could now be more easily resolved, especially any matter concerning legal confrontations.

**From about: 1 August 2006 to about: 29 August 2006**

♂ in 8th House

**Mars is Transiting your Natal Eighth House**

Expect conflict regarding joint finances, especially if money is being spent wastefully. There may also be disagreements regarding insurance, inheritance, taxes or other people's money. This is not the best of times to secure a loan. Nevertheless, in business, your rather hard-hitting and determined approach could be an asset, but being overly aggressive could lead to unproductive disputes. If things go wrong, and you know the fault lies with you, do not try to shift the blame. Sexually, this could also be a time of heightened passions and activity. Overall, expect changes in your life, a time of endings and new beginnings.

Feeling insecure about your financial situation, there is also the danger of taking unethical short cuts to make quick money. However, this is a good time for assessing what is important to you and what you really value. You may have to let go of some material, spiritual or emotional values which may be standing in the way of personal growth.

Sudden changes of fortune are now likely, so expect disruption in joint finances, insurance, tax or inheritance. Do not become dependant on someone else's finances during this time, you will only come to resent it in time to come. Feeling the need to break free from restrictions and attachments imposed by others, you will now want to go your own way. Some phases of your life may end suddenly and irreversibly. Fascinated by the meaning of life and death, a new understanding of these matters will be sought. An exciting yet unstable love relationship may also start and end within a short space of time.

You may now approach relationships with excessive romantic idealism. Of course, you could be lucky and meet someone who is as idealistic as you are but such individuals are very rare. It is more likely that you will place your lover on too high a pedestal, and then be disappointed when they do not live up to your expectation. You may also be attracted to people who you feel need your help. In surrendering your own needs you may feel you are showing true love. But, you too are only human, and sooner or later your own needs will resurface, putting a great deal of strain on the relationship. Do not place unrealistic expectations on others, and do not allow them to walk all over you. This is not a good time for legal proceedings as poor communications and misunderstandings are likely.

You should now avoid gambling or speculation as there is a possibility of losing control and destroying everything you have built up. On the other hand there is also the potential of accumulating riches or power, depending on how you handle the situation. Children may now also be the source of inspiration and transformation or there may be power struggles with your children. Love affairs and sexual relationships could be intense, obsessive and passionate - also undergoing drastic changes or disruption. However, any relationship that survives this period will grow from strength to strength.
