## Six Months Prediction

As the planets move around the Great Circle of the Zodiac they pass through the 12 areas known as 'houses', each of which represents a different sphere of human life.\*The moving planets also form angles or aspects with the positions of the planets in your birth chart. These planetary movements are called 'transits'.

Sometimes a planet appears to move backwards through the Heavens which is known as 'retrograde' motion, thereby repeating the aspects it makes to the planets in your birth chart. A retrograde planet is similar to the sensation experienced when you are on a train which overtakes a slower train, making the slower train appear to be moving backwards.

Your predictions for the next six months should be used as a helpful guide only. Events in your life may vary from the ones outlined in this forecast. While the planets do not dictate your future, they do provide crossroads and signposts to guide you on your personal voyage through life, helping you to make the right decisions, at the right time, and in the right frame of mind. At all times it is for you to choose the best path to follow, and to develop the most positive elements of your personality.

\*When the time of birth is not known, a Midday chart is produced, which makes it impossible to include the house transits in the report or to accurately determine your Ascendant (Rising Sign) position.

Personal and business relationships and partnerships come to the fore. You should now be dealing with the public or working in a team effort much more than usual. You will also be looking for feedback and reassurance from others. But there may be a tendency to expect too much from relationships, resulting in disappointment when your partner does not or can not live up to the image that you have projected onto them. In any marriage or partnership, this is a time to be honest about what you want and expect from each other. There may now also be some conflict or concern with legal matters.

Your focus will now be on one of two areas; either on material and monetary issues such as financial legacies, insurance and tax matters or thoughts revolving around sex, birth and death, endings and new beginnings. Either way, you will now want to penetrate beyond surface appearances to examine inner feelings and conversations will probably revolve around deeper issues. But you may prefer to keep your own motives and thoughts secret, or at least not reveal them completely. Business matters involving jointly held finances and property could now work to your advantage.

But take care that in your aim for perfection, you are not overtaken by competitors who are prepared to accept less than the best. You may also decide to redecorate or make your work environment more pleasing to the eye. As health will also be of importance, you will want to look and feel better. Try that new diet or exercise class, this time you may stick with it!

If things go wrong, and you know the fault lies with you, do not try to shift the blame. Sexually, this could also be a time of heightened passions and activity. **Transiting Saturn Conjunct your Natal Mercury**

Do not expect too much from yourself or loved ones during this time. Perfection is near impossible to achieve, and attempting to attain a state of ultimate perfection could leave you emotionally and physically drained. Depression could follow.

Serious thought will pre-occupy your time. Thoughts may also drift back in time, to past events and relationships. This could also be a time of farewells not all of them pleasant.

There is also the chance that you may start to take yourself too seriously and become too dogmatic and fixed in your viewpoints. Lighten up, just because you take on more responsibility does not necessarily mean that you have to lose your sense of humour.

If you can stay objective and open-minded, then this would be an excellent time to plan for the future as your concentration and organisational skills could now be at their optimum. However, narrow-mindedness will only lead to closed doors and missed opportunities.

Your mind will be full of ideas and plans for the future during this time. Feeling positive, if somewhat unrealistic, you will forge ahead and ignore any obstacles placed in your path. Interference and criticism will not be easily tolerated.

Nevertheless, talking and communicating with others and sharing your ideas will also be important to you but you must also be willing to listen to their viewpoint as well. Ignoring others needs and wants will not necessarily be an act of deliberate malice, but a result of exuberance and over-enthusiasm to see your own plans go into action and come into fruition. Therefore, in ignoring these small but necessary and practical details, despite your enthusiasm, you may lack the necessary discipline to put your grand ideas into practice. An incredible restless dynamic energy will make you crave for personal freedom and independence during this time. Restrictions in your life simply will not be tolerated and you will rebel against anyone trying to hold you back. People with some kind of authority over you, such as employers, parents or government officials are now likely to bear the brunt of your rebellious and angry nature. You are now prepared to do battle and nothing or no one will stand in your way.

If you are usually a very placid person, sensitive to other people's needs more than your own then do not be tempted to hold all this rebellious anger within you just for the sake of keeping the peace. All this dynamic energy must find an outlet possibly even through hard physical work, otherwise pent-up emotions could lead to illness.

There is another scenario. You may find that a close loved one, may actually rebel against you, perhaps you have not been allowing enough personal creative and emotional freedom to certain individuals.

Being more willing to take impulsive risks during this time you may find yourself more accident prone than usual. So take special care when driving a car, or handling heavy and dangerous machinery.

The next few weeks are likely to bring mixed blessings. Although the going may be tough this is the time when the tough will get going.

Additional responsibilities are likely to be piled upon you and may weigh you down considerably. You can try to lighten these pressures and responsibilities by disposing of unwanted things in your life but be careful not to throw out what is precious. At times it can be difficult to differentiate between what is good for you and what you really want.

You are now entering a new astrological cycle which will affect you for the next 8 years, so there is no need to rush decisions. Strong foundations need to be built with patience, care and precision. You may have to learn new skills, or even retrain for a completely new career. You could almost consider the experience that you have accumulated to date as a training period, which has been preparing you for the next 8 years ahead.

In business, it is time to wind up projects and deals, which have just been staggering along. It is time to cut your losses and concentrate on new contracts and propositions. The same goes for love affairs and personal relationships. You are directed towards friendships, activity within organisations, clubs and associations. You will have a natural ability to rouse your friends into action, maybe too much, as there is also the possibility of disagreements with one or all of the above. Nevertheless, it is a favourable time for team sports and for working in a team effort to advance a cause. Also use this time to plan for your future and pursue your dreams. Work today for tomorrow's rewards.

Avoid anything which could upset you or disturb your equilibrium during this time, as you may find it difficult to cope with any disputes or strife. Unable to properly defend yourself, you could become the victim instead of the victor. Problems in both your love life and social life are likely, so perhaps it is best to keep your head down and out of the firing line.

Emotional traumas or problems could upset your family life during this time, women being the major source of conflict. Oversensitive feelings can be easily hurt. Also, beware financial extravagance, it is time to hide those credit cards. Business negotiations should be temporarily postponed as they are not likely to proceed favourably or smoothly during this time.

**From about: 16 November 2006 to about: 25 November 2006**

**Transiting Jupiter Opposite your Natal Moon**

Talk about an expensive time ahead! Unless you want to bleed your bank account dry, then hide your cheque book, cash and credit cards. During the next few weeks everything will seem like a bargain that can't be missed. But unless you are reasonably discriminating in your purchases then you may end up buying items of furniture, clothing, and jewellery in fact anything and everything that in a few months time you will neither need nor want. Enjoy the shopping spree but buy quality rather than quantity.

This will also be a time of harking back to the past, remembering sentimental dreams and journeys. This certainly will not be a time of tremendous achievements, you will much prefer to lose yourself in your own world of fantasy and daydreams. Or you will be so busy having fun and socialising, that other more serious responsibilities may be ignored. If you are worried about your weight, then be particularly careful with your diet as unwanted pounds could be easily gained around now and not so easily shed in weeks to come.

Avoid making important decisions - wait until your feet are more firmly on the ground. Take particular care with all career, business and property matters.

Sensing inevitable changes in your life this is a time for restructuring and planning ahead for the future. Travel is likely. You will also demand more personal freedom and independence. After all important decisions cannot be made if you are feeling trapped and hemmed in by restrictions.

However, do take the advice of older people or people in authority. What they are telling you now is sensible, practical and should be heeded.

Feeling powerful and in control, you will want to be the one calling the shots you will want to be the one in control. And thankfully to your benefit others will be willing to allow you to take control. Sensing your confidence and determination, they will now be satisfied to follow your lead. As long as your behaviour remains reasonable and considerate there should be no major ego conflicts at this time, despite your tendency to dominate.

You also may suddenly develop a deeper interest in mystical or spiritual matters. Perhaps you will now be introduced to new beliefs or old ones will be reinforced. In any case, this would be an excellent time to study and appraise spiritual beliefs.

Being extra sensitive to the atmospheres and feelings which surround you may also manifest as some form of psychic ability. You would certainly benefit from meditation or relaxation techniques that allow you to get in touch with the deeper levels of your mind. Feeling more charitable and giving, you will now be more prepared to lend a hand to those in need. You may also recognise that it is time to let go of childhood behaviour patterns which are no longer appropriate or relevant in your life.    **Start of new 11-12 year period of 'being at peace with yourself'**

During this time the deeper, more profound and perhaps even spiritual meaning of life will be addressed. Your own individual religious beliefs will dominate your thoughts and being.

Feeling a surge of warmth and compassion towards everyone around you, generosity of spirit and sympathy will now come to the fore. Family, friends, and anyone in need, will now benefit from your kindness and understanding.

If artistically inclined, then this could be a time of great inspiration and creative achievement.

However, a word of warning, you may also try to escape the harsher realities of life by preferring to live in a world of daydreams. Therefore, this would not be the best time to make any major decisions concerning your future, especially financial decisions. Gambling and speculative investment should also be avoided until this period has passed, as at this time judgement may be clouded by ideals rather than practical considerations.

You may now approach relationships with excessive romantic idealism. Of course, you could be lucky and meet someone who is as idealistic as you are but such individuals are very rare. It is more likely that you will place your lover on too high a pedestal, and then be disappointed when they do not live up to your expectation. You may also be attracted to people who you feel need your help. In surrendering your own needs you may feel you are showing true love. But, you too are only human, and sooner or later your own needs will resurface, putting a great deal of strain on the relationship. Do not place unrealistic expectations on others, and do not allow them to walk all over you. This is not a good time for legal proceedings as poor communications and misunderstandings are likely.

You should now avoid gambling or speculation as there is a possibility of losing control and destroying everything you have built up. On the other hand there is also the potential of accumulating riches or power, depending on how you handle the situation. Children may now also be the source of inspiration and transformation or there may be power struggles with your children. Love affairs and sexual relationships could be intense, obsessive and passionate - also undergoing drastic changes or disruption. However, any relationship that survives this period will grow from strength to strength.
