## Introduction to Your Soul Guide

As the planets move through the Heavens in their individual orbits they form angles to the positions the planets occupied at the time of your birth. This report interprets the way these planetary movements effect you as an individual, and explains how they influence your relationships, your attitudes, and your life as a whole. It will also provide guidance as to how you can make the most of your opportunities when they arise, as well as helping you to maximise your strengths, and minimise your weaknesses.

## Understanding your report

Your Year or Month Soul Guide analyses the effects of these planetary movements, and indicates **Keyphrases** and **Themes**, as well as **Possible Encounters**.

Repeating waves of influence will appear as repeated interpretations in the report. This is a natural and regular occurrence.

## Important

Timing: Planetary influences can be felt for days - or even months - before and after the dates provided, depending on the intensity of the transits. The accuracy of your given birth time will also affect the timing of the interpretations, especially in relation to your Ascendant, Midheaven and Moon. Therefore, if you are unsure of your exact birth time, less attention should be paid to interpretations relating to your Ascendant, Midheaven and Moon as these can be reliable only if the time you give is precise.

## From about: 1 August 2006 to about: 10 August 2006

Transiting ♃ ☐ your natal ♀

**Significance:** This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

**Keyphrases:** Thinking Big - Too Busy - Overlooking Details - Mind-Broadening

**Theme:** A powerful emphasis upon your Mercury Profile, when the best and the worst of your mental ability and attitude are in play.

Everything seems to happen at once now, which is fulfilling if you are organized and exasperating if you are not. Similarly, you have a more than usually broad perspective and overview of things at present, especially involving work or study programs - so you are able to plan ahead and achieve a great deal during this period. But if you wish to have the co-operation of others - or not feel let down by yourself - avoid getting carried away by enthusiasm, inflated expectations, or just plain arrogance. Also check the 'fine print'.

**Possible Encounters:** Mental Activity - Meetings and Journeys - Getting Deflated

**From about: 1 August 2006 to about: 5 August 2006**

Transiting ♃ ✖ your natal ♂

**Significance:** This is a mild influence, and you probably need to apply some conscious effort in order to reap its benefits.

**Keyphrases:** Increased Drive - Confident Self-Assertion - Motivation and Initiative

**Theme:** Opportunities to make more of your Mars Profile, as a result of feeling encouraged to make something happen.

Because at this time you have an air of conviction and generosity, others can tune into it and are therefore willing to support or follow you. But the essential point to grasp is that initial sense of optimism, for this is the seed from which a chain reaction of encouragement and mutual advantage will grow. As soon as you act from this positive starting point, the world at large begins dancing to your tune - simply because it likes it!

**Possible Encounters:** Successful Launches - Sexual Adventures - Enthusiasm

**From about: 1 August 2006 to about: 17 August 2006**

Transiting ♃ ☐ your natal ♀

**Significance:** This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

**Keyphrases:** Power-Plays - Increased Ambition - Exaggerated Fears or Obsessions

**Theme:** Forced emphasis upon your Pluto Profile, in order that you appreciate the nature of power and hidden influences in your life.

One way or the other, now is a time when you get more in touch and involved with what needs changing and improving, and with the necessary force and will that can make this possible. But this can be rather like Aladdin and his Lamp, for the 'genie' of power and ambition that you summon up may well turn against you - however well-intentioned you thought you were.

Therefore be ruthlessly honest and careful about your motivation to gain any particular position or object, because the desire to serve the whole rather than just yourself is the only motivation that will truly justify, and indeed guide, your actions now. If your intentions are not honourable, then things could blow up in your face. On the other hand though, avoid being falsely modest, for this would cause you to miss out on the opportunity that is presently in the air.

**Possible Encounters:** Provocation/Confrontation - Crises of Opinion - Legal Conflicts

**From about: 1 August 2006 to about: 4 September 2006**

Transiting ♃ △ your natal ☉

Under this influence you can, if you wish to, revolutionize your lifestyle. This is because prevailing circumstances offer you the chances and facilities to develop or redevelop yourself. The kinds of people and situation with which you are now involved allow you to make the most of your original and creative attributes.

Also the studying or utilising of anything that is concerned with advancing knowledge and broadcasting information - technology, astrology, metaphysics, media - is now well-starred. Essentially, this is a time for making all things NEW! And it is an especially good time for beginning any program that will make you feel a new person - particularly with regard to your health. The more eager you are to make creative changes now, the more opportunities will arise to help you do just that.

**Possible Encounters:** Stimulating Friendships - Alternatives - Expert Assistance

**From about: 1 August 2006 to about: 8 October 2006**

Transiting ♃ △ your natal ♃

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Keyphrases:** Refining Understanding - Philosophical Acceptance

**Theme:** Opportunities to become more subtly aware of your Jupiter Profile, through appreciating more the Way of the Spirit.

Under this influence, you are more able to perceive life in a way that does not depend so much on material considerations. Because of this, many things of a physical or financial nature that you would normally worry about, begin to be seen as something that is more in the lap of the gods than the hands of your bank manager.

In other words, you benefit from discerning an invisible reason for the way things are, and consequently are more able to create or maintain an optimistic outlook. You increasingly understand that the quality of life has everything to do with how you're looking at it. Hand in hand with this positive sense of the world, you may well experience the wish - and the opportunity - to relieve the plight of your fellow creatures.

If you are looking for a cause, you will find one.

**Possible Encounters:** Idealistic Movements - Other Realities - Special Qualities

**From about: 1 August 2006 to about: 10 November 2006**

Transiting ♃ △ your natal MC

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Keyphrases:** Power to your Elbow - Deepening Sense of your Position in Life

**Theme:** Opportunities to tap into, and make real, the potentials of your Midheaven Profile, thereby furthering your professional interests, and establishing a power-base for future operations.

It is very likely that some kind of forward progress can now be made, as certain people and circumstances enable you to have a comparatively greater influence over what and who lie in your sphere of activity - be it on a professional or personal level, or both. This sense of power, and of how the hand of Fate is working in and through your life, should be seen to be quite subtle.

In other words, empowered as you may presently feel, such power is relative, for you are still probably just a 'pawn' in somebody's game. So be careful not to over-reach yourself, for you could find yourself out of your depth later on. Meeting with a measure of grace and humility the increases in professional standing or domestic security that come your way now, will ensure that they last into the future.

**Possible Encounters:** Promotion - Better Accommodation - Power-Assisted Changes

**From about: 14 August 2006 to about: 29 August 2006**

Transiting ♄ ✖ your natal ♃

**Keyphrases:** Emotional Stability - Domestic Security - Establishing Safety

**Theme:** Opportunities to be practical and objective with matters relating to your Moon Profile, thereby meeting your own needs, and of those close to you.

This is literally and metaphorically a case of being able to put your house in order. Your life experience is serving you well at this time, and you feel able simultaneously to satisfy both your inner needs and outer responsibilities; home and work life are in harmony and serve one another well. The best of what is conservative in your nature manifests itself, allowing you to plan and set down conditions that will ensure future comfort and security. You become aware that Heaven and Earth are in their respective and proper places.

**Possible Encounters:** Sobriety and Self-Control - Settled Family - Reliable Care

**From about: 25 August 2006 to about: 10 September 2006**

Transiting ♄ ✖ your natal ♃

**Significance:** This is a mild influence, and you probably need to apply some conscious effort in order to reap its benefits.

**Keyphrases:** Steady Progress - Stabilizing Beliefs - Consolidating Plans

**Theme:** Opportunities to be practical and objective with regard to your Jupiter Profile, thereby allowing you to organize and secure future developments.

For as long as this period lasts, you are more than usually aware of how to maintain a balance between your hopes and the status quo. You are therefore prepared to be conservative, yet at the same time speculative. This blend enables you to make the most of your assets and experience, and to invest them wisely. Those in positions of authority are willing to assist you, for what is positive and dependable about you is plain to see. Make your prospects firm now.

**Possible Encounters:** Sound Judgement - Reliable Agreements - Financial Gain

**From about: 27 August 2006 to about: 9 September 2006**

**Keyphrases:** Return to Health - Lust for Life - Increased Will and Vitality

**Theme:** Opportunities to make more of your Sun Profile, through having a greater sense of being alive.

Anything that furthers you physically or mentally can be fruitfully embarked upon now.

**Possible Encounters:** Successful Launches - Happy Travels - Financial Gain

**From about: 2 September 2006 to about: 19 September 2006**

Transiting ♃ ✖ your natal ♃

**Significance:** This is a mild influence, and you probably need to apply some conscious effort in order to reap its benefits.

**Keyphrases:** Stabilizing Changes - Establishing Freedom - Old Blends with New

**Theme:** Opportunities to be practical and objective with regard to your Uranus Profile, enabling you to incorporate the unusual or innovative into your life.

During this period, you are able to see how changes that begun a while ago, are now making sense in your life. Also, anything new that you wish to involve yourself with - from studying a novel subject to altering your appearance - you can now do without jarring others or feeling awkward yourself. You feel comfortable being your own person, and are able to express your idiosyncrasies confidently. Being true to yourself is no longer just an ideal, but patently practical.

**Possible Encounters:** Worthwhile Causes - Sound Ideas - Well-mixed Age-groups - New Solutions to Old Problems

**Keyphrases:** Sensitising Feelings - Security through Spirituality

**Theme:** Opportunities to be subtly aware of your Moon Profile, through being able to tune into the emotional states of others, and into your own finer feelings.

This is a positively mild influence, in that it finds you ready to go along with the state of things as they are without becoming too agitated by any disruptive elements. It also inclines you to being soft and compassionate with others - or else you invite same from those around you. This sense of common humanity that you experience now may vary from just feeling comfortable with your roots, family and domestic surroundings, to a more all-encompassing openness to your fellow beings. In fact, the more you can cultivate this spiritual aspect, the more receptive you'll be to helpful advice and making wise choices. Your hunches are reliable now, so follow them.

**Possible Encounters:** Helpful People - Spiritual Women - Psychic Phenomena

**From about: 22 September 2006 to about: 12 October 2006**

Transiting ♃♂ your natal ♀

**New Cycle**

**Significance:** This is a very strong influence. It energises the situation in hand and both forces and enables you to advance and grow.

**Keyphrases:** The Love Tester - Establishing True Values - Art/Cash Flow Problems

**Theme:** A powerful point of reckoning with regard to your Venus Profile, whereby you have to create a balance between pleasure and duty, and make the distinction between true, practical love aims and needs, and fanciful, unreal ones. **Start of a new 29.5 year 'Real-Love Cycle'.**

This is one of the hardest periods to handle, because it demands that you be utterly realistic about your emotional or financial involvements, and it is in just these areas of life that most of us are prone to the most confusion or delusion. In effect, Saturn is challenging you to establish a firmer sense of loving and being loved.

You will therefore have to look more closely at what you are giving and getting in any relationship, and at what might be causing you to experience too much or too little of either. A steep imbalance here would suggest a lack of emotional companionship altogether, with the loneliness that goes with this now becoming plainly unacceptable. Existing relationships, or ones that start around this time, have responsibility stamped all over them. The word means the ability to respond - to the 'whatever' a particular person means in your life.

The pressure to learn this lesson may be so great as to tempt you to depart or withdraw even more, or go off with someone else; but this would be foolhardy, for as long Saturn is around - and for a while after - it will present you with the same issue, whoever you're with, and whether you're with anyone or not. At the same time though, relationships that really cannot stand the test will end, which is perfectly all right as long as the necessary lesson in love has been learned.

Material resources are subject to the same issues - i.e. What do money and possessions really mean to you? Should you be more or less businesslike? And creative flow too has to stand the test, as the worth of your product or idea is evaluated.

**Possible Encounters:** Fated Relationships - Separation - Worthwhile Trials

**From about: 11 October 2006 to about: 20 October 2006**

Transiting ♃♂ your natal ♀

**Significance:** This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

**Keyphrases:** Increased Attraction - The Joy of Love - Over-indulgence

**Theme:** A powerful emphasis upon your Venus Profile, making you more aware of your relationships, values, art and love.

Everything about your social and love life - the good, the bad, and the indifferent - is now magnified. You might go from the one extreme to another in the space of a few hours - from having fun to being distraught, and back again. Or one day you could be wildly enthusiastic about someone in your life, and next day feel they are limiting your freedom. Needless to say, it is probably sensible to wait until this period is over before making any decisions. But then again, such extremes could well see someone else making a decision for you.

**Possible Encounters:** Significant Ones - Windfalls/Spending Sprees - Fun and Games

**From about: 21 October 2006 to about: 21 January 2007**

Transiting ♃ △ your natal MC

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Keyphrases:** Consolidating Ambitions - Recognition of Status

**Theme:** Opportunities to stabilize your Midheaven Profile, through feeling aware of your rightful place in the world, and able to work steadily towards it.

You now have a definite intention to make your position firm in the material world, not only professionally, but also where you stand on the domestic front. And so you are likely to create a procedure whereby you are able to achieve your ends in a disciplined and regular fashion. If you work on your own, then you keep to a schedule more than you usually do. If you work for someone else, you find it easier to keep time and meet deadlines.

In either case, people in positions of influence or superiority are liable to recognize your worth and efforts, and are therefore willing to assist you. The only drawback could be one of keeping too strictly to your work-plan, with the result that it limits your goals rather than serves them, and causes you to overlook whether or not you actually like what you're striving towards. So deliberately incorporate some flexibility and freedom of choice into your schedule and then progress will be happily achieved.

**Possible Encounters:** Advancement - Sense of Reality - Genuine Authority

**From about: 3 November 2006 to about: 12 November 2006**

Transiting ♃ △ your natal ♃

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Keyphrases:** Increasing Order - Alleviating Difficulties - Improving Status

**Theme:** Opportunities to appreciate your Saturn Profile, through creating a balance between vision and caution.

Whether or not more hectic or exciting planetary influences are around now, this one provides you with a sense of equilibrium and of the value of sobriety. You recognize and accept where your duties lie, and consequently go about performing them in a measured and matter-of-fact fashion. Anything that requires you to be serious or solitary, can be confidently undertaken now. At the very least, this period will help you to accept reality more.

**Possible Encounters:** Happy Responsibilities - Clear Objectives - Practical Solutions

**From about: 18 November 2006 to about: 30 January 2007**

Transiting ♃ △ your natal ♃

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Keyphrases:** Refining Understanding - Philosophical Acceptance

**Theme:** Opportunities to become more subtly aware of your Jupiter Profile, through appreciating more the Way of the Spirit.

Under this influence, you are more able to perceive life in a way that does not depend so much on material considerations. Because of this, many things of a physical or financial nature that you would normally worry about, begin to be seen as something that is more in the lap of the gods than the hands of your bank manager.

You increasingly understand that the quality of life has everything to do with how you're looking at it. Hand in hand with this positive sense of the world, you may well experience the wish - and the opportunity - to relieve the plight of your fellow creatures.

**Possible Encounters:** Mystical Philosophies - Compassion - Gentle or Wise People

**From about: 16 December 2006 to about: 25 December 2006**

Transiting ♃ ✕ your natal ♃

**Significance:** This is a mild influence, and you probably need to apply some conscious effort in order to reap its benefits.

**Keyphrases:** Spiritual Furtherance - Increased Acceptance - Gentle Speculation

**Theme:** Chances to make more of your Neptune Profile, through a better understanding your compassion and sensitivity.

This influence is soft, even dreamy, and not particularly dynamic - so it brings a time of being able to tune into the Universe, and go with its intentions more than your own. Consequently, getting the best - or anything at all - out of this period greatly depends upon what you understand this to mean.

If you are by nature into doing 'good works' or looking into the meaning of life, then this will help you to do so even more. If you are more self-interested, this might just give you a glimpse of a greater and more meaningful life than you believed existed, which may simply be seen in the plight of one other or many others.

**Possible Encounters:** Guides or Gurus - Idealism - Uplifting Experiences

**From about: 22 December 2006 to about: 31 December 2006**

Transiting ♃ △ your natal AS

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Keyphrases:** Expanding your Viewpoint - Improving Relationships

**Theme:** Opportunities to make more of your Ascendant Profile, through enlarging your sense of being in the world, thereby attracting rewarding relationships.

You feel a growing sense of largesse with regard to your attitude towards other people and life in general. You begin to see more of the total picture of life, and your place in it. This can have decidedly religious or philosophical overtones, and you have less time for petty thoughts and petty people.

But you are also feeling quite philanthropic, and are more inclined to point out the wider issues of a given subject. Naturally enough, your current urge to take more in would be well satisfied through some course of study, for all knowledge and experience is like food and wine to you now. So eat, drink and be merry!

**Possible Encounters:** Mutual Profit and Understanding - Enlightened Perspectives

**From about: 1 January 2007 to about: 11 January 2007**

Transiting ♃ □ your natal ♂

**Significance:** This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

**Keyphrases:** Excess Energy - Confidently Assertive - Over-reaching/Over-reacting

**Theme:** The forced emphasis of your Mars Profile, through an exaggerated urge to put yourself forward or to come first.

You could be rather arrogant at this time - or you'll cross swords with someone who is. It would be a pity to waste this surge of personal drive merely on feeling indignant, so endeavour to channel such energy into a constructive pursuit. But even if you do get on your high-horse or fly off the handle, you are likely to discover 'muscles' you didn't know you had. But a mixture of moderation and taking the initiative would be the best way of harnessing this force. However, failing to express your desires or be sure of your own space at this time could give rise to inner tension.

**Possible Encounters:** Collisions with Authority - Lustfulness - Selling - Sport

**From about: 2 January 2007 to about: 25 February 2007**

Transiting ♃ △ your natal ♃

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Keyphrases:** Increased Knowledge - Seeing Ahead - Happy Talk - Work Improvement

**Theme:** Chances to make more of your Mercury Profile through better understanding and increased use of your intellectual potentials.

Any kind of negotiation or strategy can be successfully accomplished or devised under this influence. So if there is a point you wish to grasp or convey, a subject you'd like to know more about, a journey to make, or a position you want - then now is the time to go for it. This is mainly because during this period you have the maximum number of facts at your fingertips, plenty of ideas, and a winning way about you.

**Theme:** Opportunities to make more of your Pluto Profile, through experiencing a stronger sense of wealth and power.

Generally, this is a time when you can improve anything that needs improving. The secret is to approach and launch any such endeavours in a spirit of everyone benefiting from them; you then find that 'the more you give, the more you get' is in fact a Law of the Universe rather than just a nice idea. You also notice during this period that the world itself is more alive to this Law - and is all the more so for your personally taking advantage of it.

**Possible Encounters:** Favours - Regeneration - Gains - Support from High Places

**From about: 30 January 2007 to about: 7 March 2007**

**Keyphrases:** Belief versus Freedom - Increasingly Radical - Exaggerated Uniqueness

**Theme:** The forced emphasis of your Uranus Profile, through magnifying your desire to be true to yourself.

You feel that 'something's got to give', and if it doesn't then you'll make it do so! Whatever happens now is in aid of giving you a stronger sense of you as a one-off individual. This can mean being constantly pulled this way and that as your morals conflict with your urge to be free, or, for example, it might suddenly land you with the opportunity to do something entirely different.

Restlessness can be a particularly disruptive force in you right now, but you could more than satisfy such feelings through simply doing something that you'd never normally do. The pull or desirability of investing your time and energy in new ways of living and looking at life is strong now. Such involvements can act as a springboard into a fresh chapter in your life, where the world is more your oyster than ever it was before.

**Possible Encounters:** Unexpected Chances - Significant Coincidences - Release of Tension

**From about: 7 March 2007 to about: 31 July 2007**

Transiting ♃♂ your natal ♀

**Significance:** This is a strong influence, and usually attracts confrontations that in turn increase your awareness of the matter concerned.

**Keyphrases:** Higher Love - Love's Illusions Undermined - Artistic Inspiration

**Theme:** The powerful sensitisation of your Venus Profile, through your attracting or being attracted to fascinating and enlightening people and pursuits. These can be dangerously deceptive though, and can require you to adopt more psychologically aware values and live by them.

This is a very important influence for it appears to bring to you what we are all after: love and happiness. Or it can make you feel that your life lacks a certain special quality. In either case, it begins with your envisaging, consciously or unconsciously, some romantic ideal. This image is so powerful that you eventually find someone on whom you can project it. Whether this person is available is not really relevant to you - for you use a mixture of imagination and desire to make him or her into what you wish for.

The trouble with all this is that what you are really looking for is something that can only be found in the deepest recesses of your own being. But as looking in that direction involves your confronting emotional shortcomings, it seems easier to seek it in someone else; or to feel frustrated because you cannot see it in the one you are already with. The agony and the ecstasy of love, which is what this influence is putting you in touch with, could also be experienced as the loss of someone (or even something) that you regard, or once regarded, as your ideal.

The central question here is are you seeking or escaping? Owing to society's current confusion regarding love, sex and relationships which stems from our lack of inner or spiritual awareness, you are probably trying to escape into something more sublime, heady, or transporting, as a release from the drabness that is the spiritual void of your usual day-to-day life; and to escape from having to do what is emotionally necessary to inject that ordinary life with a piece of your soul.

In the meantime, you may enjoy that heady experience of rarefied or stolen moments - but when this period is over, or even during it, you'll come down to Earth and see that other person as another lost and vulnerable soul like you. But therein lies the truth and the beauty, which is what Neptune through Venus is trying to bring you. For the best way of giving expression to this influence is through some form of creative, spiritual or self-discovering pursuit.

If you already have an artistic outlet, or wish to, you currently find that inspirational flow is far stronger. Alternatively, you may express the spiritual, unconditional love of this influence through selflessly helping another - but just be very careful that you are not playing that well-known escape trick of 'saviour and victim' which is still another way of disguising who you and the other person actually are, as well as the conditions that you are secretly setting. Whatever is happening now, you do feel under some sort of spell. It is up to you whether it's bewitching or enchanting, a curse or a charm!

**Possible Encounters:** Mysterious Liaisons - Clandestine Affairs - Confusion or Elation - Dissolving Relationships - Falling in Love

For as long as this period lasts, you are more than usually aware of how to maintain a balance between your hopes and the status quo. You are therefore prepared to be conservative, yet at the same time speculative. This blend enables you to make the most of your assets and experience, and to invest them wisely. Those in positions of authority are willing to assist you, for what is positive and dependable about you is plain to see. Make your prospects firm now.

It also favours travelling and studying. You are able to see more and see further, so this is a good time to make plans, or put them forward. Whatever your circumstances, you should feel that someone up there loves you!

**Keyphrases:** Feeling Good - Increased Security - Happy Families

**Theme:** Opportunities to make more of your Moon Profile, through understanding better your own and others' needs.

This is not a particularly powerful influence, but you can make the most out of it by investing time and energy in whatever makes you and others feel safe and comfortable. When linked with more dynamic influences, this time could be one of prosperity or securing something important.

**Possible Encounters:** Nature's Gifts - Religious Influences - Good Women

**From about: 17 May 2007 to about: 30 July 2007**

Transiting ♃ ☐ your natal ♃

**Significance:** This is a strong to medium influence that challenges you to develop in proportion to your current strengths and weaknesses.

**Keyphrases:** Awakening Uniqueness - The Moment of Truth - Disrupting Complacency

**Theme:** Becoming suddenly aware of your Uranus Profile, through your normality being upset, and your true self revealed.

What is happening now is that you are being 'reminded' of what and who you really are. So any elements of your life that are in any way not conducive to your expressing your true identity, now begin to play up, get in your way, and generally seem to limit your freedom. This experience occurs twice in your life: first around age twenty-one, and secondly around age 60-63.

If it is your first, then it is now a natural step for you to move on and do your own thing, which may incidentally mean going against someone else's grain - probably some authority figure. If it is your second, you are entering a stage of life, which probably involves imminent retirement, and the prospect of working out what your life means on an inner, spiritual level rather than an outer, material one.

If you've already begun to ponder upon this question, this influence won't feel like an approaching vacuum, but actually be quite stimulating. If on the other hand, you have not begun to 'inquire within', then you'd better get down to some pondering! Whatever your age though, bringing things out in the open, speaking your mind, and asking some radical questions, is a very constructive way of dealing with this period.

**Possible Encounters:** New Circumstances - Youthful Viewpoints - Your Origins

**From about: 11 June 2007 to about: 2 July 2007**

Transiting ♄ ♀ your natal ♀

**New Cycle**

**Significance:** This is a very strong influence. It energises the situation in hand and both forces and enables you to advance and grow.

**Keyphrases:** The Love Tester - Establishing True Values - Art/Cash Flow Problems

**Theme:** A powerful point of reckoning with regard to your Venus Profile, whereby you have to create a balance between pleasure and duty, and make the distinction between true, practical love aims and needs, and fanciful, unreal ones. **Start of a new 29.5 year 'Real-Love Cycle'.**

This is one of the hardest periods to handle, because it demands that you be utterly realistic about your emotional or financial involvements, and it is in just these areas of life that most of us are prone to the most confusion or delusion. In effect, Saturn is challenging you to establish a firmer sense of loving and being loved.

You will therefore have to look more closely at what you are giving and getting in any relationship, and at what might be causing you to experience too much or too little of either. A steep imbalance here would suggest a lack of emotional companionship altogether, with the loneliness that goes with this now becoming plainly unacceptable. Existing relationships, or ones that start around this time, have responsibility stamped all over them. The word means the ability to respond - to the 'whatever' a particular person means in your life.

The pressure to learn this lesson may be so great as to tempt you to depart or withdraw even more, or go off with someone else; but this would be foolhardy, for as long Saturn is around - and for a while after - it will present you with the same issue, whoever you're with, and whether you're with anyone or not. At the same time though, relationships that really cannot stand the test will end, which is perfectly all right as long as the necessary lesson in love has been learned.

Material resources are subject to the same issues - i.e. What do money and possessions really mean to you? Should you be more or less businesslike? And creative flow too has to stand the test, as the worth of your product or idea is evaluated.

**Possible Encounters:** Fated Relationships - Separation - Worthwhile Trials

**From about: 4 July 2007 to about: 31 July 2007**

Transiting ♃ ♀ your natal ♀

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Keyphrases:** Positive Changes - Increasing Insight - Mounting Influence

**Theme:** Opportunities to make more of your Pluto Profile, through experiencing a stronger sense of wealth and power.

Generally, this is a time when you can improve anything that needs improving. The secret is to approach and launch any such endeavours in a spirit of everyone benefiting from them; you then find that 'the more you give, the more you get' is in fact a Law of the Universe rather than just a nice idea. You also notice during this period that the world itself is more alive to this Law - and is all the more so for your personally taking advantage of it.

**Possible Encounters:** Favours - Regeneration - Gains - Support from High Places

**From about: 9 July 2007 to about: 26 July 2007**

Transiting ♃ △ your natal MC

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Keyphrases:** Consolidating Ambitions - Recognition of Status

**Theme:** Opportunities to stabilize your Midheaven Profile, through feeling aware of your rightful place in the world, and able to work steadily towards it.

You now have a definite intention to make your position firm in the material world, not only professionally, but also where you stand on the domestic front. And so you are likely to create a procedure whereby you are able to achieve your ends in a disciplined and regular fashion. If you work on your own, then you keep to a schedule more than you usually do. If you work for someone else, you find it easier to keep time and meet deadlines.

In either case, people in positions of influence or superiority are liable to recognize your worth and efforts, and are therefore willing to assist you. The only drawback could be one of keeping too strictly to your work-plan, with the result that it limits your goals rather than serves them, and causes you to overlook whether or not you actually like what you're striving towards. So deliberately incorporate some flexibility and freedom of choice into your schedule and then progress will be happily achieved.

**Possible Encounters:** Advancement - Sense of Reality - Genuine Authority

**From about: 13 July 2007 to about: 31 July 2007**

Transiting ♃ △ your natal ♀

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Keyphrases:** Increased Knowledge - Seeing Ahead - Happy Talk - Work Improvement

**Theme:** Chances to make more of your Mercury Profile through better understanding and increased use of your intellectual potentials.

Any kind of negotiation or strategy can be successfully accomplished or devised under this influence. So if there is a point you wish to grasp or convey, a subject you'd like to know more about, a journey to make, or a position you want - then now is the time to go for it. This is mainly because during this period you have the maximum number of facts at your fingertips, plenty of ideas, and a winning way about you.

**Possible Encounters:** Job Opportunities - Further Education - Adventure Trips

**From about: 22 July 2007 to about: 31 July 2007**

Transiting ♃ ☐ your natal ♂

**Significance:** This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

**Keyphrases:** Excess Energy - Confidently Assertive - Over-reaching/Over-reacting

**Theme:** The forced emphasis of your Mars Profile, through an exaggerated urge to put yourself forward or to come first.

You could be rather arrogant at this time - or you'll cross swords with someone who is. It would be a pity to waste this surge of personal drive merely on feeling indignant, so endeavour to channel such energy into a constructive pursuit. But even if you do get on your high-horse or fly off the handle, you are likely to discover 'muscles' you didn't know you had. But a mixture of moderation and taking the initiative would be the best way of harnessing this force. However, failing to express your desires or be sure of your own space at this time could give rise to inner tension.

**Possible Encounters:** Collisions with Authority - Lustfulness - Selling - Sport
