Introduction to Your Soul Guide

As the planets move through the Heavens in their individual orbits they form angles to the positions the planets occupied at the time of your birth. This report interprets the way these planetary movements effect you as an individual, and explains how they influence your relationships, your attitudes, and your life as a whole. It will also provide guidance as to how you can make the most of your opportunities when they arise, as well as helping you to maximise your strengths, and minimise your weaknesses.

Understanding your report

Your Year or Month Soul Guide analyses the effects of these planetary movements, and indicates **Keyphrases** and **Themes**, as well as **Possible Encounters**.

Repeating waves of influence will appear as repeated interpretations in the report. This is a natural and regular occurrence.

Important

Timing: Planetary influences can be felt for days - or even months - before and after the dates provided, depending on the intensity of the transits. The accuracy of your given birth time will also affect the timing of the interpretations, especially in relation to your Ascendant, Midheaven and Moon. Therefore, if you are unsure of your exact birth time, less attention should be paid to interpretations relating to your Ascendant, Midheaven and Moon as these can be reliable only if the time you give is precise.

Keyphrases: Highlighting Emotions - Starting Out or Over - Vitalising Feelings

This is a good time to make it clearer to yourself and/or others what the emotional score is. It could also be the beginning of a new and fresh way of relating. Depending on your usual emotional disposition, you feel more energised on a feeling level. If you wish to receive something helpful or advantageous, then put yourself in line for it now because you are likely to get a good result.

Transiting ♀ □ your natal ♃

Key Phrases: Saying Too Much - Not Seeing the Forest for the Trees

You are now put in touch with all you need to know. However, this can be a double-edge weapon, for on the one hand it could find you able to manage various items or activities into an effective whole, or on the other hand, find you confused as ideas and conflicting considerations flood your mind, giving rise to a 'brain-jam'. Marshalling your thoughts is therefore both the issue and Opportunity at present. Ultimately, you are gaining some kind of understanding now, be it about something specific or something general.

Out of this, a philosophical overview can be arrived at, thereby accommodating anything that is presently going on in your life. Another possible expression is thinking, speaking and/or acting out of a sense of opinion rather than a firm fact. Such succumbing to generalizations posing as the truth could set you up for embarrassment or a lot of wasted time, or both, as you bluff and exaggerate your way into or out of something. So get the facts straight - that is, unless you are quite happy to pontificate. Dealing with foreign matters or people could also be an issue now - again, worthy of detailed consideration.

Keyphrases: Appearance Versus Circumstances - Love The One Your With

Venus's trickier ways can dog you now if you are not aware of them. For instance, this means that someone can catch your eye and come to compromise you later. Or your partner can appear to have not as much going for them as you think you'd like. The situation could be reversed, in both cases. In other words, do not be fooled by looks or style now; stick to the main plot.

From about: 1 February 2007 to about: 13 February 2007

Transiting ♃ △ your natal ♀

Significance: This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

Key Phrases: Pleasant Gatherings - Attracting Joy and Prosperity - Happy Trails

Theme: Chances to make more of your Venus Profile through appreciating your capacity for giving and receiving love better.

This is all about the more you give the more you get. Whatever you have been investing in life, emotionally or financially, can bring about dividends now. And whatever you give out now is sure to breed happiness in the future - if or because you feel the generosity of Life itself flowing through you. You'll get the best out of this influence by fully appreciating its qualities rather than merely indulging in them, which can be the temptation. Spent well or squandered.

Possible Encounters: Romance - Bringers of Goodwill - Value for Money/Windfalls

From about: 1 February 2007 to about: 14 February 2007

Transiting ♃ ✖ your natal ♃

Significance: This is a mild influence, and you probably need to apply some conscious effort in order to reap its benefits.

Keyphrases: Stabilizing Position - Drawing from Experience - Smooth Running

Theme: Opportunities to be practical and objective with matters relating to your Saturn Profile, thus enabling you to manage current situations efficiently.

This marks a stage in your life when it is a sense of authority, be it your own or another's that assists and guides you. This is not in itself a particularly creative or dynamic influence; but it is steadying. And you will feel the benefit of this when you observe how well regulated certain parts of your life are, and how much respect for work well done serves you. Mature and measured expressions of your personality attract support, and pave your path into the future. For it is your balanced objectivity, which is the hallmark of this period, that can now be profitably used to improve or firm up anything that requires it.

Possible Encounters: Official Approval - Helpful Elders - Good Timing

From about: 1 February 2007 to about: 19 February 2007

Transiting ♃ ✖ your natal ♆

Significance: This is a mild influence, and you probably need to apply some conscious effort in order to reap its benefits.

Keyphrases: Stable Inspiration - Gentle but Firm - Understanding Weaknesses

Theme: Opportunities to be practical and objective with regard to your Neptune Profile, thereby enabling you, and others, to benefit from your sensitivity.

This influence lets you keep a steady fix on what has been previously elusive or illusory. Fancies become facts as you hold in focus finer feelings long enough for them to become installed as established traits of personality, and real parts of your life, rather than just passing whims. So this is an auspicious time for any pursuits that require you to be both grounded and inspired - such as metaphysics, any form of artistic activity, charity work, yoga, etc, as well as accepting and dealing with soft or blind-spots in yourself and others.

Possible Encounters: Practical Idealism - Altruism - Creative Productivity

From about: 3 February 2007 to about: 5 February 2007

Transiting ☉ ☐ your natal ☉

Keyphrases: Ego Conflicts - Me Versus The Rest - Cool It!

This is not a time to see eye to eye with others, for you are confrontation prone, whether you like it or not. You can use this affect to get a reading of how you and another, or the world in general, squares up to you, but by and large it is best during these few days either to take the line of least resistance, or to soldier on if needs must.

From about: 3 February 2007 to about: 4 February 2007

Transiting ☉ ✖ your natal ♀

Keyphrases: Being In Tune - Social Harmony - Making The Peace

Things are well-starred socially right now, and if there is a love interest, then you can be fairly sure that if things are going to go your way at all, they will do so now. Making amends, launching any social event, being artistically creative or entertained - these are all liable to go with a swing at this time.

From about: 4 February 2007 to about: 5 February 2007

Transiting ♀ □ your natal ♂

Key Phrases: Forceful Words and Thinking - Count To Ten - Getting a Lot Done

It is as if everything has bells on now, and the slightest wrong word or movement sets them jangling. There is a danger of speaking out of turn or saying something you come to regret, so try to think before speaking - or acting, for that matter. You may feel justified in getting heated over a certain issue, but there is a strong possibility that the only satisfaction you get ultimately is from merely feeling justified. Your 'opponent' if so disposed, could make you eat your words at a later date, or you may not have a 'later date' to say anything at all, justifiable or otherwise.

At this time it pays to look at what it is in you that causes you to feel ineffectual or overlooked in any way. This will not only supply you with useful information which you can then do something constructive about, but it would prevent you having a run in with someone or something (like a car or sharp object) that has nothing to do with it other than the fact that they trigger your anger and frustration which is born of a complex about self-assertion and getting what you want in life.

From about: 4 February 2007 to about: 7 February 2007

Hot!

Keyphrases: Physical Attraction - Beauty in Action - Love / Sex Balance

You now experience a sharpening of your sense of what does, or does not, please. This is most likely to occur in the realm of personal relationships, with you feeling the need for a physical show of love. This in turn could find you attracting or being attracted to someone, or feeling frustrated at no one being available. If you have an ongoing intimate relationship, this would be a time for the erotic. In any event, you may have to find the right balance between making love and having sex, between courtship and seduction, tenderness and desire. Also at this time, any art forms that involve movement - like drama, dance, live music, etc - are highlighted or intensified.

From about: 5 February 2007 to about: 6 February 2007

Transiting ♀ □ your natal AS

Keyphrases: Missing the Point - Jumping to Conclusions - Misplaced Interest

You may find yourself in a difficult mediating position right now - or it may be you who is in need of a go-between of some sort. The trouble is, any kind of communication is likely to go awry at present, unless you have someone or something really efficient on the case. Unless you are sure you have such things well in hand, it is best to take a back seat and say very little until this usually brief period is over.

From about: 5 February 2007 to about: 7 February 2007

Transiting ♂ △ your natal ☉

Keyphrases: Forcefulness with Ease - The Door-Opener - A Winning Way

You are able to approach and execute matters as well as is possible now, either in relation to your usual ability to act decisively - or considering the situation that you are currently dealing with. In other words, you are now most likely to know what you want, and how to go about getting it. More to the point however, you are most likely to assert yourself owing to an instinctive sense of sureness that attracts success and confidence, rather than to being impatient and pushy, which would attract the opposite.

From about: 5 February 2007 to about: 7 February 2007

Transiting ♂ ♃ your natal ♃

Hot!

Key Phrases: Asserting Individuality - Provoking the Unexpected

A time to discover your freedom to be and find out who you really are. You are now sharply made aware of this freedom, whether you think you want it or not! So you could find yourself feeling restless, uncomfortably restricted, or easily agitated by others' expectations of you. You need the space to be yourself. The more that you understand this, then the more free you will feel to do your own thing or start something new, without feeling insecure because of having to break away from the norm. At the other extreme, if you suppress or are totally unaware of your need for freedom, then be ready for a shock that is in aid of waking you up to it - like an accident or someone close to you asserting their need for freedom.

From about: 8 February 2007 to about: 9 February 2007

Transiting ♀ ✖ your natal ☉

Keyphrases: Pleasant Living - Creative Awareness - Happy Day - Love Life

You should be on good terms with the world around now, and particularly with those who are close to you. If there have been any emotional disturbances of late, then this offers an opportunity to patch up and make up. Also, if you want to go and find a certain consumer item, then you are more likely to find just what you want right now. Artistic expression and appreciation is also well-starred - so get thee to a studio, instrument, keyboard or gallery, etc..

From about: 8 February 2007 to about: 9 February 2007

Transiting ♀ △ your natal ♃

Keyphrases: The Electricity Of Love - Unusual Attractions - Unexpected Pleasure

New Cycle

Significance: This is a very strong influence. It energises the situation in hand and both forces and enables you to advance and grow.

Keyphrases: Motivation Check - Necessity versus Desire - Reviewing Matters

Theme: Having to be practical and objective about matters relating to your Pluto Profile, which involves your reconciling deep feelings with reality. **Start of a new 29.5 year 'Hand-of-Fate Cycle'.**

You now have to have a long hard look at whatever it is that you have set in motion, at what caused you to do so, and how and whether you can continue with it - at all or in the same fashion. If your plans and ambitions harmonize with your relationships and circumstances, then you will be free to proceed. In fact, the way could open up powerfully now, meeting your priorities as if by magic, and setting your circumstances for some years to come. If however, you encounter resistance to your intentions, then either you will have to work extremely hard to satisfy them, or, you will need to meet others half way through making it clear that you both have an equal and valid role to play.

Possible Encounters: Cutting Losses - Powerful Resistance - Hidden Strengths

From about: 9 February 2007 to about: 10 February 2007

Transiting ☉♁ your natal ♀

Keyphrases: Experiencing Power: Degeneration or Regeneration

The underlying fact of life that everything is born, evolves, decays, dies and is born again, now enters your consciousness - in some way, great or small. The opportunity to tune into this cycle of birth and rebirth is well worth taking up, because it gives you a glimpse of the fact that you are a vital part of this cycle. As such, you may sense what is profound and powerful in you and your life, or what is wasteful and degenerate - but you will probably have to peer or delve some way beneath surface appearances in order to do so. You may also encounter manipulators of this power - be they benign or malignant. It could well become necessary for you to let go of decadent elements, and strive towards regenerative ones.

From about: 10 February 2007 to about: 11 February 2007

Transiting ☉♊ your natal ♃

Keyphrases: A Sense of Order - Highlighting Discipline and Economy

You should be functioning well over these few days, so it is good time to get more organised, devise a plan, or even embark upon some important undertaking assuming other indications are not unfavourable. You are presently more than usually inclined to get down to what needs doing without being or feeling side-tracked by issues that do not bear directly on the job in hand. For now you are more disposed towards structure and efficiency than you are towards whims or sentimentality.

From about: 10 February 2007 to about: 11 February 2007

Transiting ☉ △ your natal ♃

Keyphrases: Going With The Flow - Attuned To Spirit - Creativity and Entertainment

This is a fine subtle influence, which you could miss unless you are alive to the unseen, mystical or imaginative elements of life and your personality. Any kind of creative or spiritual pursuit - either active or passive - is well starred under this planetary effect. You are more attuned to subtle and emotional vibrations than usual, and possibly sense that struggling with issues only prolongs or complicates them. An enjoyable time listening or playing music, communing with Nature, or any activity involving the sea, is some of the possibilities right now.

From about: 14 February 2007 to about: 15 February 2007

Transiting ☉ ✖ your natal ♀

Keyphrases: Working Well - Being On The Case - Making Contacts and Connections

You work and communicate well now, and are generally on the ball with respect to any matters that relate to the daily business of living. You also have a better sense of the pros and cons of how you normally go about such things, giving you the opportunity to correct poor attitudes or methods, and to capitalise or improve on the good ones.

From about: 14 February 2007 to about: 16 February 2007

Transiting ♂ □ your natal ♃

Hot and Cold

Keyphrases: Inhibited or Disciplined Activity - Slowly Does It

At present there is a danger of your doubts and fears intruding just when you wish to act. This could take the external form of others holding you up in some way, or of some authority holding you back. Struggling angrily against such blockages would attract more frustration, so it is probably most advisable to take a back seat now. Working out your pent-up energies in an industrious fashion is a simple and productive solution. This would also mean having to avoid complications with others, which in turn could bring troublesome emotions to the surface in what could be a physically damaging way.

From about: 14 February 2007 to about: 16 February 2007

Transiting ♂ □ your natal ♃

Deceptive!

Keyphrases: Stimulating Sensitivity - Acting Compassionately or Unwisely

This could be a low-energy phase for you when the harsher elements of the out- side world, be they in the form of anything from insensitive people to a virus, can get the better of you. You may feel strange and out of step - sexual frustration is likely too. 'Sod's Law' prevails, so count to ten, think three times, and be on your guard against being taken advantage of. So be gentle with yourself and others, keep to the line of least resistance, and let any possibly disheartening influence wash over you, for it shouldn't last long. By the same token though, this also gives you the opportunity to identify what your soft or blind spots are. In any event, be as honest and straightforward as you can, for any deceitfulness on your part that stems from the past could surface all too easily at present. The best prescription for handling this rather peculiar period is to use your energies in a helpful, selfless or inspiring manner.

From about: 16 February 2007 to about: 26 April 2007

Transiting ♃♂ your natal ♃

Significance: This is a strong influence, and usually attracts confrontations that in turn increase your awareness of the matter concerned.

Key Phrases: Sensitive to Hidden Matters - Undermining Obsessions

Theme: Being made subtly aware of your Pluto Profile, through tuning into or being confronted with certain home-truths.

Those undercurrents of emotion that have been secretly but powerfully affecting you all your life, now become apparent, but as a result of something or someone no longer being there. That is, unless you are deliberately seeking to discover your most hidden motivations and power complexes. Either way though, expect to make contact with those aspects of life and yourself which cannot be easily explained away. In fact, the more you try to avoid gut issues now, the more trouble they'll give you. So, the more you adopt a spiritual perspective and an attitude of acceptance, the more likely you are to experience enlightenment rather than deception; self-awareness through isolation, rather than depression through desolation.

Possible Encounters: Mysterious Insights - Secrets Revealed - Disappearances

From about: 17 February 2007 to about: 18 February 2007

Transiting ☉☐ your natal ♃

Keyphrases: Highlighting Expansiveness and Faith - A Sense of Greatness

Whatever it is that you are like normally, now you are more so! Essentially, you are experiencing an urge to grow beyond yourself, and to understand matters in a more comprehensive and philosophical way. So if you do have something of this nature in mind, then now is the time to make it (begin to) happen. But what you allow yourself, and others, to do or be has everything to do with your moral viewpoint, which is presently a vital issue. So for a more rewarding life, now and in the future, you would be wise to cultivate an optimistic and big-hearted attitude, and to be mindful that biting off more than you can chew, or making empty promises, is a sure sign that you are pretending to be larger than life, rather than being actually as large as life.

Transiting ♀✳ your natal MC

Keyphrases: Charity Begins At Home - Domestic Harmony - Loving Family

This is a mild influence that should help you to use your skills to blend your working and private life, to get one to serve the other. Any artistic or creative flair or project can now gain support from both official and personal spheres.

From about: 19 February 2007 to about: 21 February 2007

Transiting ♀ ✖ your natal ♃

Key Phrases: Love And Goodwill - Fun And Generosity - Joi De Vivre - Lady Luck

Depending on your usual propensity for good fortune or giving/having a good time, this influence will provide you with a strong sense and/or experience of what is enjoyable about life. Taking in anything that enlivens or entertains is very well starred now - whether you are in an active or passive role. You have a lust for life at present - but watch your pocket or appetite, unless you are quite prepared to say it was worth the price, no matter what.

Any activity that requires you to put out a good or generous vibe is best booked for now. You are luckier than at other times - but bear in mind that gambling can have an agenda all of its own so paradoxically, do not bet on it! It is better by far to see and experience this influence as a gift from the gods - but on the gods' terms. This means to say that there is something good in the air, but do not presume on it being 'good' in precisely the way you think you want it to mean. It is really an opportunity to find out what 'good' actually means.

From about: 19 February 2007 to about: 21 February 2007

Transiting ♂ ♃ your natal MC

Keyphrases: An Urge to Achieve - Conflicts with Authority

You have the energy and the will to further yourself professionally now. As ever with Mars, much depends upon how you go about expressing your desire to get what you want. If you ride roughshod over anyone at present, be prepared to get back as good as you've given. It is better by far to identify clearly your targets, and devise a strategy to meet them that impresses those above you or those who work for/with you. You'll then be set to win, rather than attracting a troublesome opponent.

Hot!

Keyphrases: Argument or Hot Debate - Nervous Excitement or Exhaustion

If it's going to be said at all, it's going to be said now - with some force. This in turn will help make decisions concerning issues that have been hanging in the balance. If you still manage to sit on the fence, expect to get pushed off. In other words, keeping a lid on it will attract tension release in some other area - like speeding in your car, acute irritability, or physical weak spots playing up. Now is the time when you can, or have to, really get your mental teeth into an issue - or it will get its teeth into you!

Hot!

Keyphrases: Highlighting Personal Drive, Sex Life, Courage and Decisiveness

Mars is symbolic of that force within and around you that make it possible to go for and get something or someone; it also represents the urge and the right to do so. How good or bad or indifferent you are when it comes to expressing your Mars qualities is currently an issue. Being active, independent, forthright or bold now, is a sign that you know what you are after, and how and when to act. Experiencing - either in yourself or another - anger, abusiveness or excessive use of force would be a sign that you need to look at what you yourself are angry about, at what you want, and at what you must do in order to obtain it or so that you no longer want it.

Transiting ♃ △ your natal ♃

Significance: This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

Keyphrases: Ringing the Changes - Awakening Originality - Befriending the Truth

Theme: Opportunities to attune yourself to your Uranus Profile, thereby enabling you to think more freely, and then act and feel more freely.

This experience occurs twice in one's life; in your late twenties and mid-fifties. If you are experiencing the first, then you are probably attracting certain changes in your life that reflect your need to go your own way, or, situations that put you (once) more in touch with young and idealistic feelings. Now you see, or should be seeing, the future in a positive light, with your true reason for being alive as a primary consideration.

If you are experiencing the second, then you could well be reflecting upon where you have not been true to your real sense of self and purpose, and upon using this chance to break away from stale patterns and introduce something new into your life that blows away the cobwebs and helps you to see life in a more hopeful and inventive way, where the unexpected is again seen to be a vital ingredient to life's recipe. Early retirement possibly, to do what you always wanted to do.

Possible Encounters: Youthful Ideas and People - Alternative Approaches

From about: 28 February 2007 to about: 4 April 2007

Transiting ♃ ✖ your natal ☉

Significance: This is a mild influence, and you probably need to apply some conscious effort in order to reap its benefits.

Keyphrases: Freeing Your Will - Awakening Creativity - Renewing Vitality

Theme: Opportunities to become more keenly aware of your Sun Profile, thereby enabling you to make positive changes in your life.

Under this influence you can, if you wish to, revolutionize your lifestyle. This is because prevailing circumstances offer you the chances and facilities to develop or redevelop yourself. The kinds of people and situation with which you are now involved allow you to make the most of your original and creative attributes.

Also the studying or utilising of anything that is concerned with advancing knowledge and broadcasting information - technology, astrology, metaphysics, media - is now well-starred. Essentially, this is a time for making all things NEW! And it is an especially good time for beginning any program that will make you feel a new person - particularly with regard to your health. The more eager you are to make creative changes now, the more opportunities will arise to help you do just that.

Key Phrases: Emotional Harmony - Accord with/between Females - Attractiveness

This is a very 'female' influence in that you are inclined to use charm and receptivity rather than drive and ambition. If you are usually disposed to making things happen, now you are wise to let them happen as they will, for in this way the easiest solution or most attractive outcome will ensue. Any pursuits that require grace, diplomacy or artistic imagination, or occasions like domestic or family gatherings and parties are highlighted at this time.

Key Phrases: Easy Self-Assertion - Stimulating Confidence - Winning Ways

If you wish to start or re-start anything, then now is the time. Unless you have more inhibiting factors at present, you are able impress both yourself and others with your get-up-and-go. And if you are normally somewhat reluctant to assert yourself, then know that Mars is giving you a green light to do so. The most constructive form of activity is physical, for you simply enjoy the fact that you have a body. All in all though, you can get a lot done now - be it work or play, physical or mental.

Keyphrases: The Electricity Of Love - Unusual Attractions - Possible Alienation

Whatever is out of the ordinary regarding sexual, social, creative or romantic involvements can appear out of the blue now. By the very nature of this influence it is hard to say what will happen. For the same reason it is best not to put too much store by whatever does, because it will most probably be a flash-in-the-pan kind of occurrence.

Experimental, shocking or odd - whatever happens now can be anything from extremely exciting to somehow detached - or both even. This influence can trigger the start of an exciting relationship, but it does not predict what way it will go, for the only assurances as far as Uranus is concerned is that you can expect the unexpected, be ready to be woken up to something new. Significant coincidences can happen now, trying to tell you something about how love and life tick. Sudden attractions and/or breaks in relationship can occur also.

Key Phrases: Love And Duty - Serious Attachments - The Importance Of Commitment

You experience the serious or very real side of love and social involvement now. This is not a time for having fun and letting your hair down, so do not plan for this or get frustrated trying to make it so. More than likely your partner or people in general will come across as sober and responsible now - or in need of such qualities. If you are not with anyone, you can feel more alone than usual, or if you are prepared to take a serious rather than cynical look, you can get the measure of why you are unattached.

If this is truly not an issue under this influence, then you can probably congratulate yourself on being genuinely self-sufficient. By and large though, this period is inclined to show up the warts and weaknesses in your love and social life, including the pressure to doing something about it. In any event, this means being emotionally mature and responsible and doing what has to be done, even though it is difficult. In time, such commitment will prove to be well worth it. On a financial level, you may well have to read the writing on the wall here instead, or as well, getting real about money being the call of the day.

Key Phrases: Love's Illusions - Precarious Fantasies - Artistic Inspiration

The most romantic and ideal, but equally the most fanciful and illusory, experiences can come your way now. You are more inclined to fall in love or lust, or to be made a fool of, for that matter. A more reliable expression or use of this influence is to involve yourself with some creative work, have a special time out with someone you have genuine love feelings for, or simply take in a good movie.

A new relationship can arise under this influence - but remember that 'under the influence' can be all it amounts to unless you have at least one foot on the ground. Platonic involvements are quite likely - or they turn out to be! Be that as it may, this can promise to be a pleasurable, if rather heady, time. All of the above could equally just take place in your head. On a more mundane note, you could find just the item you were after, or thought you were! Very much a 'what's real?' type of time, so do not take anything at face value - be it exciting or depressing.

Key Phrases: Stimulating or Attacking Feelings - Protecting your Space

The feelings that you have been sitting on need to come to the surface now. So feeling irritable or fit to burst is quite likely. This as a natural safety valve urging you to unload negative feelings such as anger or resentment, and especially those that concern your family and figures or events from your past. Being 'reasonable' at this time would be missing the point, for being supposedly abiding and well-behaved is what made you swallow your true feelings in the first place. So 'cough up the bile' and all concerned will feel the healthier and more secure for it eventually. It is very important now to make it clear how you feel, but to avoid unnecessary conflict, you must make the distinction between a feeling and who or what triggers off that feeling.

Key Phrases: Saying Too Much - Not Seeing the Forest for the Trees

You are now put in touch with all you need to know. However, this can be a double-edge weapon, for on the one hand it could find you able to manage various items or activities into an effective whole, or on the other hand, find you confused as ideas and conflicting considerations flood your mind, giving rise to a 'brain-jam'. Marshalling your thoughts is therefore both the issue and Opportunity at present. Ultimately, you are gaining some kind of understanding now, be it about something specific or something general.

Out of this, a philosophical overview can be arrived at, thereby accommodating anything that is presently going on in your life. Another possible expression is thinking, speaking and/or acting out of a sense of opinion rather than a firm fact. Such succumbing to generalizations posing as the truth could set you up for embarrassment or a lot of wasted time, or both, as you bluff and exaggerate your way into or out of something. So get the facts straight - that is, unless you are quite happy to pontificate. Dealing with foreign matters or people could also be an issue now - again, worthy of detailed consideration.

Key Phrases: Forceful Words and Thinking - Count To Ten - Getting a Lot Done

It is as if everything has bells on now, and the slightest wrong word or movement sets them jangling. There is a danger of speaking out of turn or saying something you come to regret, so try to think before speaking - or acting, for that matter. You may feel justified in getting heated over a certain issue, but there is a strong possibility that the only satisfaction you get ultimately is from merely feeling justified. Your 'opponent' if so disposed, could make you eat your words at a later date, or you may not have a 'later date' to say anything at all, justifiable or otherwise.

At this time it pays to look at what it is in you that causes you to feel ineffectual or overlooked in any way. This will not only supply you with useful information which you can then do something constructive about, but it would prevent you having a run in with someone or something (like a car or sharp object) that has nothing to do with it other than the fact that they trigger your anger and frustration which is born of a complex about self-assertion and getting what you want in life.

Your 'gun' is 'loaded' right now, so be careful where you point it. Stay away from any areas that are potentially violent or dangerous. A purchase can be just what you wanted or turn out later to be an indulgent waste of money. In the end, Venus is about finding love, beauty and value in whatever circumstances you are in, and not fretting after something that is missing or wanting. Key Phrases: Deep or Obsessive Love - Powerful Attraction - Sexual Guilt

You find you feel deeply for someone or something, or that you want to, or that you cannot get someone or something out of your system. In any event, you are experiencing the depth and power of love or attraction - and what you do with it is down to your deepest values. Such a feeling can actually turn up as someone who you feel strongly drawn to. It may or may not be mutual, it all depends upon that deeper state of your emotional being - is it attracting or repelling.

There is this 'Beauty and the Beast' quality to this influence, in that you could experience one of both of these extremes, with someone else on the other end, so to speak. The gulf between what is regarded as appealing and presentable as against what usually has to hide its face, feel anti-social, is a possibility now.

The trick is to go deep but not too deep, to appreciate face values, but not regard them as the entire picture. Be on guard against being manipulated - value yourself above all else - or of manipulating someone yourself, for you would only entrench yourself or get more than you bargained for. Possessiveness and jealousy can rear their heads now, which has something to do with being more in touch what does and does not constitute genuine love. Positively, this can take the form of generosity, a love encounter, a party, a general sense of happiness, or anything that helps to make life attractive and more worth living. Negatively, finding yourself being mean, lonely, indulgent, excessive, vain or superficial would point to the fact that a genuine sense of worth and the ability to give or receive love is somewhat lacking in your life.

This period doesn't exactly find you in a party mood, but it does put you in a sober frame of mind that should enable you to get down to identifying what is and what is not required of you, and what is blocking your progress or view. The main trouble is that the pressure will be upon you to do just this. It is attempting to duck your responsibilities that would give you a hard time. Equally though, the thanklessness of tasks done out of a blind sense of duty, born of fear also shows up now. Even though this period lasts only a few days, time passes slowly, so use it to reflect coolly and carefully upon your position in life, without feeling panicky or depressed about it. Notwithstanding what else is indicated at present, the time to act comes later, after having made more clear your purpose and obligation.
